Bill Buchie's Babbles...

Hey, all you ramp-builders -

Although we've not had much snow in January, the cold weather is still limiting our ramp-building activities this winter. But, we were still able to get one ramp built in January. We received a call from a son, asking if we could build a ramp for his mother who is trying to remain in her own home in Normal where she has lived for many many years. We had some great weather that weekend and got a ramp built for the family. Nice work, AMBUCS.. and a big Thank You to our volunteers for a job well done!

I'll keep you posted on future ramp-building activities, and let's hope this mild winter weather continues!

See ya' at a future ramp!
