Plan to join the rest of us as we celebrate 2011-2012 and get ready for 2012-2013. We'll be installing new officers, presenting our annual awards, and awarding scholarships to several very deserving your adults. Look for an email in the next few days with complete details. See you there!!!

Bill BucHie's Babbles...

Hey, All you ramp-builders -

We pulled off another fine looking ramp this month. Mrs. Bays contact me and told me she was thrilled that she has a ramp at her home. She was at the nursing home the day we built her ramp in Southgate Estates.. and she knew that the only way she would be able to come home was to report to her doctors and staff.. that she has a ramp at her home. Well, she got it!...and has been able to return to her home. Thanks to all our volunteers along with the Diversity Scholars, too... as we could not have done it without all of us working together.

We will continue to build ramps this spring and into the summer months. As the weather gets a little warmer, we may build a ramp on a weekday evening, as well... so watch for those e-mails and stop by any of our ramp projects. Stay for an hour.. or stay until the "maiden voyage" and get in the picture... either way, you'll be glad you did... and you'll become a critical part of making someone's home accessible in our community.

Thanks for all our help and I'll see ya' at the ramps!
